

Promoted Stock Listing

GET YOUR STOCK NOTICED FIRST

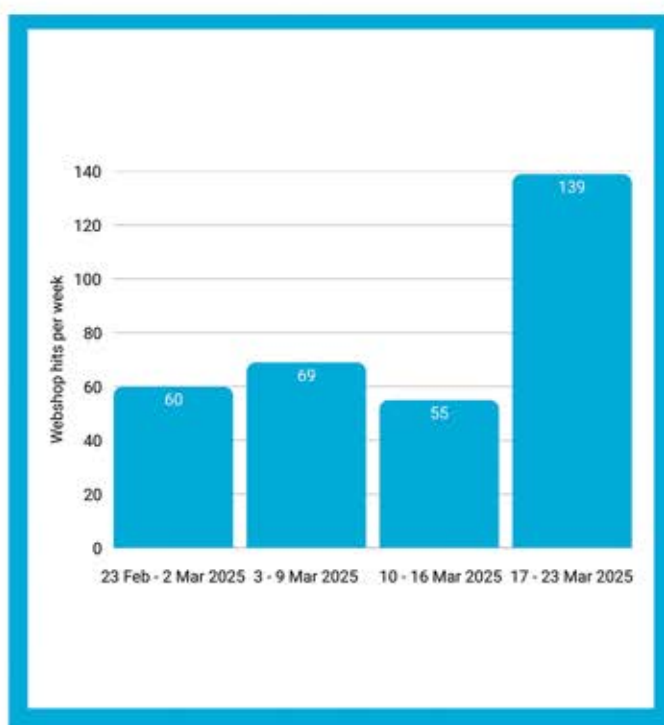

With the Promoted Stock Listing Bolt-On, your stock will appear at the top of the search results for seven days, meaning when members search for a part, your listing will be their first option.

The Promoted Stock Listing Bolt-On helps drive more traffic to your website or webshop, increasing visibility and potential sales on your listed stock.

WEBSHOP IMPRESSIONS WITH PROMOTED STOCK LISTING

Companies who have implemented this Bolt-On, have seen a 30% increase in enquiries, along with a rise in click-through rates to their connected webshops.
