

Webshop

CONNECT YOUR ONLINE STORE

The webshop button on the search results page allows users to buy parts instantly, directly from your website.

This could save you time by minimising resources spent on RFQs.

[Connect Webshop now](#)

KEY BENEFITS

DIRECT LINK

Every part you have listed on BearingNet will have the webshop icon next to it on the search results, linking to your website.

INCREASING DEMAND

The number of clicks through to distributors' online shops has increased year-on-year.

QUICK AND EASY

Our technical team will check the compatibility and connect your webshop on your behalf.

PRICING

50% of your BearingNet annual subscription

No commission.

No hidden fees.
